Bob Brady for Congress
July Quarterly Report
(4/1/03 - 6/30/03)

Dear Ms. Kelly:

This letter is in response to your letter dated September 30, 2003.

Schedule A of our quarterly report discloses contributions received after the 2002 primary that are designated for the 2002 primary.

In fact, all of the contributions received during this reporting period were for the 2004 primary. We failed to update the software to reflect the 2004 primary reporting cycle at the time of input.

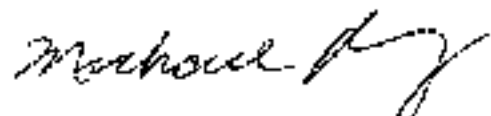

Consequently, the report inaccurately reflected primary 2002. We filed an amended return on October 30, 2003 to correct the reporting error.

Schedule A reflects the receipt of \$33,500 from the Developmental Basketball League representing a refund of contributions previously made to this not-for-profit organization in error.

The report also discloses that the receipt was attributable to the primary 2002 election. Also, see explanation for erroneous reporting period above.

Thank you for your cooperation in this matter.

Sincerely,

Michael G. Horsey, CPA
Treasurer
